

Clinic Statistics for 2021

Outcome for fertility clients who finished working with me between 1st Jan 2021 and 31st December 2021 . . .

How It Ended

- Withdrew
- Natural Success
- IVF Success
- IUI Success
- Unsuccessful with IVF

This chart shows the outcome for all clients who finished working with me in 2021.

This chart includes clients who withdrew from working with me for a number of reasons, the majority of these withdrew within 2 cycles. It is important to realise that it usually takes 3-4 months to turn things around.

How It Ended

- Natural Success
- IVF Success
- IUI Success
- Unsuccessful with IVF

This chart shows the outcome for clients who finished working with me in 2021 who engaged fully in the process and committed to regular treatment for 12 weeks minimum.

The majority of the successful outcomes occur after between 12-16 treatments seeing a combination of myself and Gill.

Success defined as live birth or ongoing pregnancy (all over 20wks and counting)
